

# FABLE FEST

Mark your calendars! It's that time again, to get together and share great hunting stories as well as good food and fun.

Brisket and Pulled Pork are the main dish.

We will provide coleslaw and buns too!

For our new members:

It is a potluck, no pressure to bring anything fancy-just something to share  
There is also a silent auction, it's a fun fundraiser. Wrap up something fun or something useful - don't forget a brief description to lure your fellow club members into bidding on your item.

Watch the fun while you see who gets what as the bidding starts, but be careful you don't want to get the "Norwegian Briefs".

Bid with caution – or this could be you.
