MOCK NATURAL ABILITY TEST

DATE: Saturday, April 26th
TIME: 8:30 a.m. sharp
LOCATION: Jensen's Farm, Dalbo, MN (see www.mnavhda.com for map)
COST: \$25.00 per dog (includes birds for test) - no refunds

Running your dog for the first time? Do you need to get a "feel" for the Natural Ability Test? Do you want your dog evaluated so that you know what to brush up on before the test? If you answered, "yes" to any of the above, consider entering the Mock Natural Ability Test. The Minnesota Chapter of NAVHDA will conduct its annual Mock Natural Ability Test for the benefit of young dogs and handlers entered in NA tests this year. This event will give handlers an idea of what to expect in a "real" test situation. It will give handlers an idea of what they need to brush up on before running their dog(s) in a NA test. The dogs will perform all of the steps of the NA test except the conformation check. Live birds will be used.

As in all NAVHDA events, **blaze orange** clothing is required in the field.

After the Mock Test, a general Training Session will be held.

Birds will be available for the training session after the Mock Test at \$4.75 for quail and \$10 for pheasants.

To order birds, call Nick Mellby by April 10th

Bring your own lunch and beverages. No alcohol is permitted on the grounds.
